### About Dual Door 1000

The Dual Door 1000 external notice board has a 75mm deep aluminium frame with double doors opening from the centre. The doors are glazed with 4mm shatterproof plexishock and have a double key lock. The elastomer seal and anti condensation vents mean minimal amount of condensation. Inside the board is a zinc electroplated steel backboard allowing you to attach your notices and posters with magnets. The central locking bar allows one door to be opened at a time and stops doors swinging open in high winds.

The rapid swap door system which allows you to replace the door easily should it become damaged without the use of tools or removing the poster display. The Dual Door 1000 has a 5 year guarantee against manufacturing faults.

Powder coated frames available in Bordeaux/Burgundy RAL 3004, Green RAL 6005, Blue RAL 5010, Black RAL 9005, Red RAL 3020, Brown RAL 8017. Bespoke sizes and colours are also available on request. Please call sales on 02476 010076 for details.
