This is a large agenda, and financial management can sometimes appear daunting, but the aim of the session is to provide you with an understanding of the financial framework of the Council, the core information you need to know and the sources of more detailed information that you should refer to when you need to.

Module 7 - Health & Safety

To explore the legal obligations of Councils and to highlight the processes and procedures that need to be in place to ensure compliance.

Module 8 - Introduction to Community Engagement

The aim of this introductory module is to explore what is meant by the term 'community engagement' and how councils and councillors can improve how they engage with the communities they serve. Using an interactive approach, the module explores why, how and where councillors currently engage with their communities. The session includes a short overview of key public policy in relation to community engagement and covers the key elements and terminology of community engagement. There is an opportunity for councillors to share and learn from their personal experiences and the session ends with a community engagement planning exercise.

Module 9 - Code of Conduct

A highly interactive and informative module that enables participants to understand the Nolan principles of public life and develop a more in depth knowledge of the Code of Conduct and how it applies to local councillors.

The module specifically covers the following:

- The Nolan Principles
- What Councillors must do and must not do
- Personal/Prejudicial interests
- Predetermination & Predisposition
- How the Code is Policed

The learning will be reinforced through practical exercises and a DVD of the Ombudsman explaining his role will be featured.

Module 10 - Chairing Skills

To explore the role of the Chair and to consider the associated issues and highlight effective approaches to effective chairing of meetings.

Module 11 - Community Emergency Planning

What does emergency planning mean to you?

This course will give an overview of emergency planning and how it relates to communities. It will inform on the role of the main responding agencies and give an insight into what a community can do before, during and after an incident. It will give you the opportunity to deal with a scenario real councils could face.

So...

- What is a resilient community?
- What should a community emergency plan look like?
- How would you interact with the responding agencies?
- This course will give the who, why, what and when of emergency planning!

Module 12 – Community/Place Planning
