Crimes of Note

In October, we experienced a slight spike in theft of and theft from vehicles across the Nelson and Ystrad Mynach area and would ask that in the build to the festive season residents are reminded to secure their vehicles and not leave any valuable on display.

The team have continued to target illegal drug supply across all our areas.

From 1st April this year we have executed 31 Drug warrants across the Caerphilly North area, **6 of these have been in the wards covered by your ward team at Ystrad Mynach.**

In September the team executed 2 drugs warrants in the Cefn Hengoed ward with a large quantity of drugs and cash was recovered along with 3 people being arrested. Your ward manager Pc Tom Bolton is continuing with this investigation.

We can only pull these warrants together with the support of the community and the intelligence that residents and yourselves provide so please be encouraged by the results we have achieved this year to date and continue to ask constituents to report anything they think is suspicious or linked to drug supply to 101 their local neighbourhood team direct at Police Surgeries etc. or ring anonymously via Crimestoppers.

If we have enough intelligence, we will act upon it.

Engaged Communities

Throughout October Ystrad Mynach NPT facilitated 17 Engagement and Consultation events.

This included 4 Police Surgeries in Ystrad Mynach & Hengoed areas and 2 community events over Halloween.

For Halloween this year the team took our gaming van to Ystrad Mynach, Hengoed & Maesycwmmmer areas to engage with local youths along with giving out some Halloween goodies to help them enjoy the spooky season.

On a positive note, we had no ASB related calls during this period.

Between Monday 28th October – Thursday 31st October and Friday 1st November – Tuesday 5th November the team were also involved in proactive patrols, visiting stores that sell eggs, fireworks, and alcohol that also display our Halloween posters. Re-enforcing good practice for staff and owners around the appropriate sale and supply of these products.

Thank you all for your continued support, Inspector Lysha Thompson, and the Caerphilly North NPT.
