

## Gelligaer Community Council and Keep Wales Tidy

### Biodiversity Project Proposal 3

#### Project

Purchase and install wildflower seed for the Oak Leaf roundabout and possibly the nearby stone planters in Ystrad Mynach.

#### Background

Managed by CCBC Highways with regular grass cutting the Oak Leaf Roundabout and nearby planters has no significant environmental value.

#### Cost (Correct at time of research)

Wildflower seed Roundabout 400m<sup>2</sup> £560.00

Wildflower seed Planters 150m<sup>2</sup> £210.00

#### Additional Information

The species mix have been recommended by the Councils principal ecologist.

*The special general purpose meadow mixture EM3 or the same mix but just wildflowers which is the EM3F special general purpose wildflower seed from emorsgate seed. I have used these mixes several times over the years for various projects as it contains the species you would expect to see around here, particularly on roundabouts, meadows and verges.*
