

Gelligaer Community Council and Keep Wales Tidy Biodiversity Project Proposal 9

Project

Purchase and install oxeye daisy plug plants to be planted along Hengoed Avenue.

Background

During the last consultation session with the local councillors, this area was identified as being a possible area for Oxeye daisy planting, like many of the verges around the county they are unmanaged and full of Oxeye at the moment.

Cost (Correct at time of research)

300 plug plants £305.99

Additional Information

The Oxeye daisy plant is an RHS Plants for Pollinators which highlights plants selected by the RHS as scientifically proven to tackle the declines in bees, butterflies and other pollinators.
