- Progress

- Orchard Maintenance ongoing

- Starter top up

This was requested from Keep Wales Tidy for the small garden next to the park on Cefn Road, Hengoed. It has been approved; This will provide a £600 budget for further enhancement. 5 Cyprus Oak Trees have arrived and will be planted in the next few weeks.

- Engagement

Van community Council have enquired about the project as they are looking at running something similar. They may be in ouch for a chat and to visit a project install.

Chat with Rebbeca Barrett in regards to the improvements at the Nature area in Ystrad Mynach.

- Project 15

Barry Close, Initial design has been submitted for approval, it's a mix of hedging, wildflowers, habitat boxes and trees that will form an informal wildlife area. It would be great for the council to comment on any they would like to add before final costs are researched.
