Targeted Activity

- Vehicle recovered for no insurance/Licence in Gelligaer.
- Vehicle recovered for no insurance in Penpedairheol.
- Reports of an XL Bully at an address in Gelligaer. Officers attended. Dog was registered and there were no reported breaches.

We continue to take a robust approach to tackling breaches in the change in legislation regarding XL bulldogs. This is in line with our priorities to minimise risk and maximise the safety to the public. These owners will now face enforcement action, ensuring if the dogs are returned, they are microchipped, neutered and muzzled in public spaces in line with the legislation.

Engaged Communities

June was another busy month for building and strengthening community relations through engagement and consultation events.

In June, the team attended many engagement events across the Caerphilly North Sections.

Some Pictures from June:

PCSO484 & PCSO527 paid a special visit to their local brownies group in Penpedairheol. They talked to the group about staying safe and how to contact the emergency services.
